“Winning the Invitational was a big highlight in my career. Competing and contending in the event, on a really good test of golf, really prepared me for what was to come that summer. I gained a ton of confidence after that week, and felt like my game was battle tested for any event coming up on my schedule which resulted in a top 10 finish at the Canadian Open that summer and prompted the trajectory for my pro golf career.”

– Jared du Toit, 2016 Champion
